Experience

Amtex Habib Cyber Cafe / Computer/System Operator

FEBRUARY 2022 - AUGUST 2022, LAFIA-EAST, LAFIA, NIGERIA

I efficiently manage and monitor computer systems, ensuring that they run smoothly and efficiently. My responsibilities include carrying out normal activities, resolving problems, and preserving system integrity, all of which contribute to a smooth and productive computer environment.

Education

FEDERAL UNIVERSITY LAFIA/ Bachelors in Computer Science

FEBRUARY 2023 - PRESENT, LAFIA, NASARAWA, NIGERIA

Studying Computer Science, I immerse myself in the world of algorithms, programming languages, and problem-solving, cultivating a deep understanding of technology's foundations and its limitless potential for innovation.

AL-IMAN SCHOOL, LAFIA / SSCE, WAEC, NECO

MARCH 2016 - SEPTEMBER 2021, LAFIA, NASARAWA, NIGERIA

Having studied science, I've earned three prestigious certificates: SSCE, WAEC, and NECO, showcasing my dedication to academic excellence and my strong foundation in the sciences.

Attributes

- Strong decision-making skills, even in the face of uncertainty.
- Exhibits a high level of grits and moral integrity.
- Consistently delivers on expectations and promises.
- Collaborative team player with a genuine passion and high energy level.
